Ms. Valerie Jameson
President
Albuquerque Futsal
Albuquerque, New Mexico

Dear Valerie:

On behalf of the U.S. Futsal Federation, thank you for your efforts in running one of the best leagues in the country. Having governed the sport since its inception over twenty eight years ago, we have seen the startup of numerous leagues, but your leadership in Albuquerque has resulted in one of best-run leagues in the country within a short period of time. In addition, our insurance carrier has indicated your loss ratio is one of the best in U.S. Futsal which I am sure is due to your excellent training of coaches and referees. Congratulations on a job well done!

In 1989, when U.S. Futsal signed the agreement with FIFA giving U.S. Futsal political, sporting and financial autonomy in the United States, the sport was nearly unheard of in this country. Now, thanks to organizations like Albuquerque Futsal, the word is spreading and U.S Futsal is growing at an unprecedented rate. Please convey to your league members the high esteem in which we hold you.

Warm regards,

Alexander J.C. Para
President & CEO
